WE CAN FACE
DRUG AND ALCOHOL
PROBLEMS IN OUR
COMMUNITY

Your local Community Drug Action Team needs volunteers to help tackle drug and alcohol problems. You don't need any special skills, just a willingness to be involved and make a difference. To find out how to join our team, go to cdat.com.au or call the ADIS Free Information Helpline: (02) 9361 8000 or 1800 422 599 (outside Sydney). **We're stronger together.**
