

TOGETHER
WE CAN FACE
ALCOHOL PROBLEMS
IN OUR
COMMUNITY

Your local Community Drug Action Team needs volunteers to help tackle alcohol problems. You don't need any special skills, just a willingness to be involved and make a difference. To find out how to join our team, go to cdat.com.au or call the ADIS Free Information Helpline: (02) 9361 8000 or 1800 422 599 (outside Sydney). **We're stronger together.**
